

A horizontal bar chart with the y-axis labeled 'Age' and the x-axis labeled 'Percentage'. The chart displays the percentage of respondents for each age group. The bars are blue and arranged in descending order of percentage from top to bottom.

Age	Percentage
18-24	35%
25-34	30%
35-44	25%
45-54	22%
55-64	18%
65-74	15%
75-84	12%
85+	8%
